Winn-Young was questioned as to his alcohol consumption and he admitted consuming alcoholic beverages. Request for Modifying the Conditions or Term of Supervision

Re: Michael Winn-Young
Case Number: 4:07CR00040-1
Page 2

Michael Winn-Young promptly contacted the probation office and reported his arrest. He advised the probation officer that he exercised poor judgment in operating a motor vehicle after consuming alcoholic beverages. Winn-Young related that given his actions and DUI arrest, he is willing to participate in a substance abuse assessment and participate in substance abuse treatment as directed. The offender was reprimanded for consuming alcoholic beverages and driving and was cautioned as to the consequences of engaging in criminal conduct. Therefore, it is respectfully recommended that Winn-Young's conditions of supervision be modified to include a requirement that he abstain from the use of alcohol during the term of supervision and participate in substance abuse treatment as directed. Attached is a Waiver of Hearing to Modify Conditions of Supervised Release, signed by the offender, agreeing to the proposed modification.

Respectfully submitted,
